

CORIYON ARRINGTON

coriyon.com | Minneapolis, MN 55422 |

Summary

Senior Product Designer with over 5 years of experience in creating user-centered digital products for healthcare and wellness. With a background in Biomedical Engineering, I address complex design challenges involving people, data, and technology. I specialize in developing web and mobile applications that enhance patient outcomes, reduce provider friction, and drive business results. Recently focused on AI-assisted experiences and conversational interfaces in healthcare.
